

KENNEDY CATHOLIC PREPARATORY SCHOOL

Yearbook Information for Class of 2027 students and families

It's that exciting time of year when we collect senior items for Kennedy Catholic's yearbook, *Profiles*. To be featured, please be mindful of the following required action items and deadlines. Additional information is available online at kennedycatholic.org/yearbook.

1 - Schedule your senior portrait photo shoot

"Senior portraits" are the images of students wearing drapes (for girls) or faux tuxedos (for boys) that appear in the yearbook. Senior portraits must be scheduled by appointment through our partner, Upstate Images. The final photo session for senior portraits will be Friday, November 13, at school. Families and seniors will be notified by email when sign-ups open. If you've not yet had your senior portrait taken, be sure to schedule an appointment for November 13. The photographer will provide the drape and faux tux, as well as a cap and gown for a graduation picture. Please adhere to handbook guidelines regarding hair, facial hair, and piercings. Senior portraits not in compliance with handbook guidelines will not be included in the yearbook.

2 - Select your senior portrait pose via the Upstate Images website by Friday, November 20

After your senior portrait photo shoot, please select your yearbook pose from your image gallery. Please refer to email communications from Upstate Images for directions. If you have questions, please contact Upstate Images directly, at 855-773-3321. If you do not select a yearbook pose, one will be chosen for you.

3 - Submit a baby picture by Friday, November 20

A gallery of baby photos is included in the senior section of the yearbook. Upload your photo to yearbookshare.com. Enter **School Code: 14195**. In the description, include the student's name and please note "baby photo."

4 - Submit a quote by Friday, November 20

Please visit kennedycatholic.org/yearbook for guidelines and additional information.

5 - Optional: Create a Dedication Ad by Friday, November 20
